# Presentations

- ▶ From February, every Friday lecture will start from short presentation based on the primary literature representing the most important directions of contemporary biogeography.
- ▶ Each student in a class should prepare presentation **individually**.
- ▶ Presentation is mandatory as well as participation in the discussion.
- ▶ Along with my lecture presentations, your presentations will become materials for exams.
- ▶ PDFs of articles for presentations and guidelines will be available for download on the Web site.

# For Further Reading

A. Shipunov.
